

## MATERIAL USE AGREEMENT

g.tec medical engineering GmbH has setup documents which explain biomedical signal acquisition and analysis and provide also some tasks to the reader. The documents are divided in a part called **Lectures** and a second part called **Solutions**. The documents should support your biosignal research and education.

g.tec provides lectures for EEG, BCI, ECG, EP, PhysioObserver and Wireless EEG Sports Application. The price per document is EUR 79,--.

The Lectures are only provided to Institutions after they agree to the following rules and provide the corresponding information:

- You have to provide the name and address of your Institution:

Name:  
Street:  
ZIP:  
Town:  
Country:  
Telephone/Fax:  
Web:

- The Institution has to assign a person who is responsible for the handling of the Lectures

Title: Full name:  
Position:

- The Institution has to assign a person who is responsible for the handling of the Solutions

Title: Full name:  
Position:

- To ensure that only teaching personal receives the lectures, please provide also the name and signature of the **head of your Institution** which confirms that you are teaching a course at the Institution and that you are allowed to receive the Solutions document.

Title: Full name:  
Position:  
Name of course/class:

- You will receive one PDF document with the Lectures and one PDF document with the Solutions. The PDFs are password protected. You will receive a personal password. The password has to be kept confidential and it is not allowed to distribute the password or PDF to any other person (including in your institution). Each person has to fill out the MATERIAL USE AGREEMENT before she/he is allowed to work with the Lectures and Solutions. It is not allowed to distribute the PDF documents on the internet or in any other way. **Only printed versions** of the Lectures and Solutions are allowed to be used for education and teaching in the Institution mentioned above.
- If you plan to use the material in several Institutions you have to fill out the form separately for each one.
- Please note that the PDF version can be tracked back to you. If a PDF version appears in another Institution

or on the internet we are forced to charge you a fee of EURO 3.000 per Lecture. This is necessary to keep the documents confidential.

- g.tec would be happy to receive feedback about the Lectures and Solutions in order to improve them.
- Please provide annually a short report about the usage of the material in your lab. The report should mention the name of the course, the number of students, the average time needed to perform the lectures and anything you think is important.
- g.tec is allowed to mention your Institution as user of the material.
- It is not allowed to sell the material.
- We would be happy if you mention the usage of the g.tec Lectures to other interested persons. Thank you.

I agree with the terms mentioned above

Date:

Signature of person responsible for Lectures:

Signature of person responsible for Solutions:

Signature and Stamp of the head of the Institution:

Please fax the document to ++43-7251-22240-39 and send the original to g.tec medical engineering GmbH, Sierningstrasse 14, 4521 Schiedlberg, Austria.

We hope that the Lectures and Solutions help your research and improve education at your University.

**Enjoy working**

Your g.tec team
